

Campaign Starts to Secure Post Office in This City

Council Resolution Asks Establishment of Federal Office Here to Care for Mail Needs of Community

Determined to get rid of Albany's unfavorable reputation as "the largest city in the United States without its own post office," the City Council this week unanimously passed a resolution calling for the establishment of such a facility here.

The measure, introduced by Councilman Vincent Hanahan and seconded by Councilman George Batchelder, told of a need here by the more than 15,000 people and 160 business firms, and asked that Postmaster General James A. Farley take steps to institute a post office with service equal or superior to that provided by the Berkeley Post Office, now serving the City.

Among the reasons cited were that there now exist no facilities here for registering parcel post, the declaration of customs to foreign countries and renting and maintaining post office boxes. The present confusion which exists, according to the document, and results in letters addressed to local people being sent to cities of the same name elsewhere, would be eliminated and past experiences with firms which have gone elsewhere to locate because of there being no post office here, would no longer be encountered.

SAME DELIVERY

"The present twice-a-day delivery service would be continued," related Mayor O. C. Yenne, long a proponent of the plan. "A local man would be named as postmaster and local employees of the department would be given preference for position, he continued.

This information was brought out by the Mayor when Councilman Frank Hays asked about the status of Albany people now employed at the Berkeley office, if the council's request were complied with.

The hoped-for facility would also be listed as a second class post office, the Mayor said and revealed that he has already contacted postal inspectors and has gone into the proposition thoroughly with them.

INTERIM ORDINANCE

Having received word that several industries are considering the purchase of the 100-acre Gill Tract from the University of California, the council passed an interim ordinance to be effective for a period of 120 days during which no structures other than first class residences can be built during that period on the property.

This action will allow the Zoning and Planning Commission to solve current zoning problems in this district and was passed only to protect home and property owners, it was declared.

A portion of this property is now being used by the City for University Park, subject to removal on 30-days' notice. It is also said that the City would be interested in the purchase of about 20 acres of land at a reasonable price, to be used for school and playground as the district develops.

GIVEN LEAVE

Dr. Jack L. Stein, health doctor, was granted a leave of absence from May 24 to September 24, during which time he will be in Europe with Mrs. Stein, first to attend the conference of Rotary International at Nice, France, and then to Vienna where he will continue his medical study.

Dr. Martin J. Lacey, former health official, will occupy the post until July 24 and Dr. Douglas Ream has been named to fill the position for the last two months of Stein's absence. Each will receive the \$75-a-month salary of the office during his service.

Protests from William Curtis, 1104 Portland Avenue, and D. Bellesano, 1100 Portland Avenue, on the recent construction of a nearby billboard by the Foster and Kleiser Company, were referred to the Street Committee and the City Engineer for investigation.

Both protesters claimed that the sign, located at Portland and San Pablo Avenues, "cheapens adjacent property and is a dangerous obstacle to motorists inasmuch as it cuts off their view of oncoming cars."

Over 300 Will Attend Affair

A large crowd of Albany citizens will be on hand the morning of June 6 to honor Dr. John Franklin West, retiring superintendent of schools, it was indicated yesterday by Mrs. Minnie Lou Eakin, general chairman of the Women's Breakfast Club, sponsor of the affair at the Berkeley Women's City Club.

"Judging by present ticket sales," Mrs. Eakin said, "a good many Albany people will be present to honor Dr. West on June 6. His nine years of service to the people of the community are evidently appreciated, judging by the response."

Dr. Jane Paxson, president of the group, has announced that she expects to see more than 300 persons present at the occasion which will honor the man who helped build the Albany schools to their present high standard.

Tickets for the affair may be secured from any member of the Women's Breakfast Club, it is announced.

Merchants Bow In Defeat, 14-6

Although it was a bright, sunny afternoon to the rest of the world, it might just as well have been "blue Monday" to the Albany Merchants at the end of their tilt with the Palm Cafes at University Park last Sunday afternoon. In cloudy numbers they read the final score, 14-6, in favor of their opponents.

The Cafe men started their brutal massacre in the first inning, pounding Shoemaker for four runs, gaining a good start on the 10 hits which came to them during the melee. In the last inning they again showed their prowess and collected seven more runs to completely ruin the day for the locals.

Art Eppson, young pitcher from Albany High School, stepped into a tough position near the end of the first when he relieved Shoemaker and was battered during the balance of the game.

The Merchants made 14 hits during the day but the blows were scattered and could not save the day in spite of the fervent pleas of Co-Managers Jake Nora and Bert Townsend.

Next Sunday the local outfit will meet the Fernandez Buffets at University at 2:30 p. m.

Rotarians Honor Dr. John F. West

Dual honors were accorded Dr. John Franklin West, superintendent of schools, at the Rotary Club meeting last Monday noon.

The group honored his forthcoming retirement as head of the city's schools and his activity which resulted in the founding of the Albany Rotary Club. The program was in charge of L. F. MacDonald.

Among those who spoke in praise of the veteran educator were City Attorney C. N. Lavers and Walter Teasdale of the school board.

Denny Lacy and Anita Case, high school students, were presented in musical numbers by Armin Wegner, musical instructor of the school.

han asked that the firm be awarded the City contract for such work. The company's charges for such service will call for a minimum charge of \$3.50 for towing and \$4 a month for storage. The bid was accepted.

The Council also decided to order the installation of two street lights, one at Brighton and Spokane Avenues, the other at Brighton and San Gabriel Avenues.

Fay Newman of Martinez is the new manager of the Safeway Store at 843 San Pablo Avenue.

Local Man Hurt In 3-Car Crash

Slight head injuries were received last night by Harold Finley, 944 Talbot Avenue, as the car he was driving south on San Pablo Avenue became involved in a three-car crash at Washington Avenue.

The other cars were driven by J. Leitnerman, 810 Hays Street, and Earl B. Boyn, 2144 Bonar Street, Berkeley.

Leitnerman was making a left-hand turn in the intersection at the time of the accident, according to witnesses, while Boyn was moving south on San Pablo Avenue. Neither man was injured.

Officer Stanley Williams and Sergeant Charles Hardie of the local department responded and superintended the removal of the damaged cars from the highway.

Dads Revive '49 Days for This Evening

Shades of the old-time rough and ready West will again stalk the stage of Marin School this evening as the Dads' Club puts on its annual "Dads and Mothers' Night" before an expected audience of more than 500 persons.

From the fertile brain of George Sutton, dramatist and director of the organization, has come another gem of comedy, it is claimed. This time the offering is entitled "Pioneer Spirits—Vintage of '49" and professes to show in burlesque just what it was that made the "Wild West" so wild.

The action takes place in Sutter's Fort in the early days, a peek at the scenario reveals, and shows the trials and tribulations of the sturdy band as they hoped and worked for the precious metal. How they reacted upon its discovery and the trouble it brought them before common sense prevailed, the facile pen of Sutton has disclosed in mirthful fashion.

STATE BOARD MEETS

Prefacing the comedy attraction, the State board of governors of the California Council of Dads' Clubs will hold a meeting at Marin School, according to L. V. Foye, president of the local group. The session will be presided over by Charles Paganucci of Oakland.

Among those appearing in the production are the following members of the Marin Dads' Club:

Bill Hansen, Ed Litsinger, Dan Atwater, Ray Demsey, O. Gibson, O. Stone, A. K. Pettigill, B. Williams, J. Harris, George Sutton, H. Grady, T. Orr, A. Gerling, E. Swan, George Sutton, Jr., H. Burlingame, W. DePuy, J. Coulson, J. Perkins, T. Raun and C. Ham.

In charge are:

Dan Atwater, assistant director; T. Orr, make-up and lights; L. Skinner, piano; R. Anderson, J. Coulson and J. Perkins—bar and soft drinks; H. Hexner, general chairman; W. Gillies, reception; W. McGeorge, refreshments.

Oakland Man Killed Here

Assertedly walking into the side of a car driven by Cesar Costa of Oakland, G. R. Abbey, 47, of 883-52nd Street, Oakland, died early yesterday morning at Alameda County Hospital from his injuries, Albany police reported.

The man was struck as he crossed San Pablo at Marin Avenues shortly after a. m. yesterday morning, it is said, and was removed by Ace Ambulance to Humboldt Hospital for treatment. He was later moved to the Oakland institution.

In his report to authorities, Costa, who lives at 1331 Carlton Street, Berkeley, declared that Abbey had walked into the path of his car as he drove on San Pablo Avenue on his way home from work at the Union Oil Company in Oleum. Costa was not held by police.

Mexican Play Results From Marin Study

Students of the high sixth grade at Marin School recently completed a thorough survey and study of Mexico, climaxing their work with the presentation of a Mexican Fiesta in a colorful setting which they had themselves designed.

Appreciative audiences of the school P. T. A. and Dads' Club, as well as the Albany Rotary Club, praised the offering and lauded the intensive program which they had undertaken.

Mexican art, literature, music and dances were taken up, in turn, in the various departments of the school under the direction of Miss Mildred McCann, Miss B. Lemm and other members of the faculty, according to Allen Keim, school principal.

Children taking part in the successful affair were:

Phyllis Norin, Lois Abrahamson, Audrey Fisher, Jack Serex, Margie Lee Clark, Bobby Turnbull, Billy Young, Sylvia Ojala, Buddy Hill, Alice Johanknecht, Gloria Storck, Laura Christensen, Eleanor Arnold, Glen Smith, Frances Halstenrud, Jack Lou Coombs, Jacqueline Snyrl, Donna Nichols, Bill Cauch, Robert Roderick, Billy Keene, Donald Novell, Lucille Storck, Gloria Granberg, Buddy Meads, Jean Tyler, Lois Sorensen, Jack Timmers, Margaret Stein, Dolores Drinnen, Barbara Boyd, Billy Hansen, Tommy Eglit, Norma Sovick, Edna Marie Hill, Billy Gillies, Betty Jane Wiseman, Jane Smith, Doris Moore, Claire Engstrom, Helen Storsand, Claire Bouchert, Jane Anthony, Dorel Ferguson and Ruth Gracey.

F. A. Griffing, 73 Taken by Death

Bringing to an end the long and active career of Frederick A. Griffing, 73, death came to the elderly man last Friday in an Oakland hospital after an illness of several months.

Mr. Griffing, formerly an active worker in the Native Sons of the Golden West, was the father of Louis L. Griffing, restaurant owner, and Mrs. Maybelle Oakley, both of Albany, where he recently worked to organize a parlor of the organization.

Funeral services were held Tuesday morning from the James J. Ellis Company of this city. Reading of mass at St. Ambrose Church by Rev. J. J. Hennessey was followed by interment at St. Mary's Cemetery in Oakland.

Success Comes In Drive to Help Church

To those who were aiding the "Silver Stream" drive of the Albany Community M. E. Church has come good news in the past few days. The campaign, it was announced, by Rev. Herbert Brooke, chairman, has gone "over the top" to victory.

As a result, he said, \$7000 has been taken from the church debt. In turn, this has reduced the institution's monthly interest payments from \$82 a month to \$30.

Sincere appreciation was expressed by the pastor for the assistance of all who made the campaign possible. Especially praised by him were the efforts of various civic and fraternal groups who did so much to help the cause along.

"This campaign," said Rev. Brooke, "has done much to break down religious barriers in the community and has resulted in the breaking down of the debt which has crippled the effectiveness of the church for so long."

In closing, the chairman urged all who have given pledges to do their best to send donations in at once, claiming that this action will facilitate interest payments and will make the matter of collection much easier.

Sportsmen Will Hear Fire Talk

Fire fighting and fire prevention will be the subject of an address by a speaker from the Forestry Service of the University of California at the regular monthly meeting of the San Pablo Sportsmen's Club this evening at the Maccabee Temple, according to Harvey J. Skeer, president.

Plans will also be formulated for a picnic to be given on July 18 at Farrah's Park, near Antioch.

Signalling and health winner tests have been conducted by Mrs. Hazel McDuffee, captain of Troop No. 21, for Girl Scouts during the past week in preparation for the Court of Awards scheduled for the evening of May 28 at 7:30 o'clock at Cornell school. The affair will be given jointly by the three Troops of Albany, No. 10, No. 20 and No. 21, under the direction of Mrs. Constance Dietschy.

May 14, 1937.

TO THE PEOPLE OF ALBANY:

Through the medium of the press, the Chamber of Commerce of this City is appealing to the residents of Albany for their support. The Chamber is actively engaged in a program that is of vital interest to everyone.

We ask that you support and patronize business and professional people of our City. They offer values, merchandise and service equal to that of the large cities of the East Bay. Remember when you buy at home you are sharing equally with others in the lowering of taxes, and offering inducements for other enterprises to locate in our City. Patronize our merchants who have established in our City for your convenience, and assist in the upgrowth of the city of Albany.

The Chamber of Commerce has also taken a definite stand against solicitors entering and canvassing in Albany. Unless such persons can furnish credentials from the Chamber of Commerce approving of such action, do not patronize those parties.

Cordially yours,

(Signed) BEATRICE RAYMOND,
President, Albany Chamber of Commerce.
(Signed) A. B. TAVEIRA,
Secretary-Treasurer.

Local Groups Pledge Help To Children

June 12 Affair Planned To Give Outings to Youngsters

"We can do a lot of good for underprivileged children by sending them to Summer Camp, and Ed Morris can do them more good after they get there!"

So Joe Villa, president of the Men's Breakfast Club, told the representatives of various groups at a meeting Tuesday evening to boost the grand ball his organization is giving on June 12 at the Veterans Memorial Building, to send needy Albany children to the Y. M. C. A. summer camp at "The Willows."

This year, explained Villa, the proceeds will be used to keep children in the camp as long as it is considered necessary to restore them to ruddy, healthy childhood. If a child should only get a week or so in camp, he pointed out, the time spent there would almost be wasted if the child had been in poor health on his arrival.

HELPED 30 CHILDREN

Two years ago a similar effort was put on by the organizations of this city, President Villa disclosed. At that time more than \$300 was raised and 30 children were sent to the summer camp. This year, with cooperation, even more needy kiddies can be helped, he said.

"If the proper support is given to the plan," told Don Bruce, first president of the men's club, "there isn't any doubt but that the ball will be a huge success and many Albany children will be benefited. And I know in my heart that everyone will want to help such a worthy cause," he concluded.

The children to be sent to the camp will be selected by principals of the three schools and the school nurse, Miss Norma Shadall, according to present plans, and will be allowed to remain in camp until in perfect health if the necessary funds are raised by this affair.

GROUPS WILL AID

Although a number of representatives of Albany groups were absent from the meeting, due to other important gatherings on the same night, those present expressed willingness to offer the hearty support of their own organizations.

Among those present Tuesday night were, in addition to those mentioned, the following:

Mrs. M. Ruiz, president of the Albany High School P. T. A.; Mrs. E. L. Stine, president of Marin P. T. A.; Mrs. J. Sartain, representing the Legion Auxiliary of Albany Post; Mrs. Beatrice Raymond, head of the Chamber of Commerce; George Foley and Bud Birks, of Albany Post, American Legion; Carl Nieper, of the Acacia Club; A. L. Ford, head of the Albany Traffic Safety Council; Councilman Vincent Hanahan, Fire Chief Carl Ahlgren, and C. E. Morris, director of the camp and secretary of the local Y. M. C. A.

All present took blocks of tickets to the grand ball and promised that they or their organizations would sell as many as possible.

Marin Dads Will Play for Title

With the possibility of a championship to be gained by a Sunday victory, the Marin Dads' Cub softball team is taking it easy until the contest at that time with the Jefferson Dads at Berkeley High School field.

The game is scheduled for 10 a. m. Last Sunday saw the Dads adding another win to their imposing list when they defeated the Piedmont Club, 9-3, at Memorial Park. Grey, first baseman of the winners, smashed out a homer during the game. Another feature was the fine pitching of Coulson and Kirkwood, allowing but 3 hits against the 15 garnered from Green of the Piedmonts.

William E. Cochran of 1415 Solano Avenue was a visitor at the home of friends in San Francisco last Sunday.

PLAY CENTER FOR ALBANY PLANNED

Taking another step in the extension of its program, the Albany Recreation Department plans to open a pre-school Play Center in Memorial Park on Monday, May 24.

All children between two years and four years, nine months are welcome. The days are Monday through Friday. The hours are 9 to 12 M.

The aim of the Play Center is to provide an environment which will further the normal development of each child's interests and abilities. The Play Center does not try to supplant the home but to supplement it. The child's world is extended and his interests stimulated by the variety of experiences which the Center offers.

BRIDGE FIESTA PROMISES GALA S. F. OCCASION

Plans were practically complete today for the Golden Gate Bridge Fiesta, spectacular celebration of the completion and opening of the \$35,000,000 suspension highway across the Gate, which commences Thursday, May 27, Pedestrian Day, and continues to a brilliant climax on Wednesday, June 2.

Biggest, most brilliant and most colorful show in the history of California or the West, will be the Fiesta, which is certain to attract to San Francisco and the Bay District a multitude of not less than a million.

That is the forecast of Fiesta Chairman Arthur M. Brown, Jr., and Fiesta Manager Eric Cullenward, supported by the latest reports of chairman of various committees engaged upon the Fiesta preparations.

What is in store for Fiesta visitors and participants is a full week of thrilling, inspiring and beautiful spectacles in a city gay and more festively arrayed than it ever has been for any celebration.

The biggest and most spectacular steel structure ever built by man will be, and will remain, the most striking feature.

OTHER SPECTACLES

Other great spectacles of the Fiesta will include assembly in San Francisco Bay, after entry in line beneath the Golden Gate Bridge, of the entire United States fleet, 150 war vessels now engaged in maneuvers off Hawaii; presentation by a cast of 2000 of a dramatic pageant of San Francisco in which famed baritone John Charles Thomas, opera star, will sing the leading role and for which a symphonic orchestra will render a score written for the Pageant by Composer Charles Hart; three day and one night illuminated parades, in each of which more than 60 striking floats and 75 bands representing Canada and Mexico, the great Redwood Empire and Southern California and five Western states will take part.

Center of Fiesta spectacles and activities will be the Redwood Grove Theater a mammoth amphitheater erected in Crissy Field, with the largest and most novel stage ever built and a grandstand capable of seating 25,000 spectators in comfort.

PAGEANT ON STAGE

On this stage will be presented the Pageant, in a series of eight colorful, animated episodes, unfolding on the stage like an illuminated scroll, San Francisco's and California's dramatic history brought to life.

Across this stage will march in bright costumes and to the music of many bands, cavalades of life and color sent to the Fiesta by Canada and Mexico and Western states.

Most brilliant, it is expected, of the Cavalades will be that from northern California, the Redwood Empire, with Washington and Oregon and British Columbia contending with it for the blue ribbon of supremacy.

All during the Fiesta in San Francisco's festive streets will be thronged by the half-hundred nationalities comprising its population, dressed in festive garb.

The city's famous foreign colonies, Chinatown, the North Beach, the Russian Hill and others, will be transformed into vistas of gay color. The city's streets down town and along the three mile route of the parade march will seem like lanes in a Redwood grove.

Every district, every section of San Francisco's population, is going to town with a bang for this Fiesta, greatest of any celebration in the long history of famed San Francisco shows.

Skill in muscular coordination is acquired through practice in the manipulation of the various play materials. Normal social development is promoted by offering each child a share in the "give and take" which comes through group association. The daily health inspection, the protection of children from contagion, the outdoor program, and the equipment selected to encourage exercise, all help to promote physical development.

The natural setting of the play space in the park with its grass, trees, flowers, sun and shade, is readily adapted to imaginative play. The emphasis in planning the equipment has been not on customary toys but rather upon materials which will stimulate creative activities. The program consists mainly of activities initiated by the children and carried on out-of-doors. Mid-morning nutrition and a short rest complete the day.

Mr. and Mrs. J. P. Williams are expected to return today from Los Angeles where they have been vacationing for the past week. Mr. Williams, in the jewelry business here, is a member of the board of directors of the local chamber of commerce.

Mr. and Mrs. W. R. Katz of 1408 Solano Avenue spent Sunday visiting friends in San Francisco.

Activities at Albany "Y" And Community Center

A roadside emergency station will be maintained with full first aid and hospital equipment in charge of C. E. Morris and Miss Dorothy McCormack. Classes will open after September 20. Registrations may be made at Alameda, Berkeley or Oakland Red Cross chapters.

"All positions with the exception of campfire director have been filled, and our board feels we have selected the finest group we have ever had to handle the camp this year," he said.

The following have been selected: Camp Director, C. E. Morris; boys' director, R. March; girls' director and chief life guard, Miss Amy March; craft and recreation director, Miss Dorothy Templeton; hospital first aid, Miss

Dorothy McCormack; chief cook, Mrs. R. Hanson; assistant cooks, Mrs. Kline and Mrs. G. E. Reed; head waitress, Mrs. Claire Green; truck driver, Frank Blomberg; dishwasher, Eugene Edmunds; waitresses and kitchen staff, Margaret Dougherty, Cynthia Dymally, Marion Kreider, Shirley Maddox, Jean Hanson, Howard Boardman, Jerry O'Gorman; and a complete corps of Junior officers and leaders who have been trained for group supervision.

"The camp this year will be one of the best," stated Chairman Dygert, "and we hope that every mother and dad who wishes to send a boy or girl to summer camp will interview our camp director and his staff before deciding on their vacation spot."

SCHOOL TO SEE DRAMATIC Last Friday evening, a scout the Sherman School Dad's Club of Oakland was present at Cornell School where members of the Albany "Y" Dramatic club presented a show to the Albany "Y" Mothers' Club. Shall We Put Albany On The Map?

(Try to locate Albany on the above map, drawn less than a year ago and then answer the above question to your own satisfaction.)

Albany is the largest city in the United States without a Post Office!

Will the residents of this city countenance this situation forever, or will they get behind the present campaign to remedy this condition?

WHAT WILL THE ANSWER BE?

LET'S GET ON THE MAP!

The definite action taken by the City Council Monday night to bring a post office to this City is another step toward putting on "long pants" for Albany.

Since its incorporation nearly 30 years ago, the city has gotten along without such an institution, relying on the nearby city of Berkeley for its postal service.

True, occasional efforts were made to acquire a post office but these soon faded from lack of interest on the part of the citizenry. This time, however, a grown-up City has realized the need for the facility and is demanding that it be secured.

At other times, when the suggestion was brought up that the Post Office Department grant Albany its own institution, it was said by some that one-a-day service would result or that local residents would have to go to the establishment to secure their mail.

This time, however, no such threat is possible. Albany has gathered unto itself a title that should be discarded as soon as possible! "The largest city in the country without a post office" doesn't sound very progressive, does it? To people who have never seen this growing city a cognomen like this would bring visions of tall, waving grass in the main streets of the city and possibly, be-whiskered individuals lackadaisically moving about.

That this is decidedly not the case in Albany, we will positively assert. But how are others, who have never seen evidences of our more than 15,000 residents and 160 business firms, to know that this isn't a true picture of conditions? A manufacturer in the East, looking for a new site on the Pacific Coast, skims through a postal directory, finds no mention of this city and takes his new factory to some other place. Would-be residents have done likewise.

It's about time that mail leaving here should bear the postmark "Albany" and let others know that there is such a city in California!

RESOLUTION

Resolution of the City of Albany, County of Alameda, State of California, requesting Federal Authorities for Establishment of a U. S. Post Office in the City of Albany.

THE CITY COUNCIL OF THE CITY OF ALBANY DOES HEREBY RESOLVE AS FOLLOWS:

WHEREAS, Albany, California is a city of over 16,000 population registering (6,200) voters at the last general election and,

WHEREAS, Albany is situated on the main lines of the Southern Pacific and Santa Fe Railways and the transcontinental Lincoln Highway and,

WHEREAS, there are 160 commercial and professional businesses in Albany besides 3,300 residences and,

WHEREAS, at present mail service to Albany is furnished through the Post Office of Berkeley, California, with carrier service from that office, requiring mail sent to Albany citizens to be addressed through Berkeley, which condition tends to cause Albany to lose its identity as a separate municipality, and,

WHEREAS, no facilities for the insuring and registering of parcel post and for declarations of customs to certain foreign countries exist within the City of Albany, and it is now necessary for citizens to go out of this City into another city to avail themselves of said services out of the City of Albany.

AND WHEREAS, business houses, professional men and citizens have not facilities for the renting and maintaining of post office boxes,

AND WHEREAS, several business houses have in the past refused to locate in this City because the City has not a post office identity.

AND WHEREAS, confusion exists and letters sent to this City are often misdirected to cities with the same name in other states, because this City has not a post office of its own.

AND WHEREAS, in view of the foregoing stated as well as other conditions the City Council and citizens of Albany do believe that the City is entitled to a United States Post Office within its boundaries with carrier service therefrom equivalent or superior to that now being furnished from the Berkeley Post Office and that a resident of Albany should be appointed as Postmaster.

NOW THEREFORE, it is resolved that the Postmaster General be and hereby is requested to establish a Post Office with such aforementioned service in the City of Albany, and that he appoint one to communicate or personally confer with the Mayor of this City to the end that such may be accomplished with reasonable dispatch.

That a copy of this resolution be sent to the Postmaster General and to the U. S. Senators Hon. Hiram Johnson and Hon. William G. McDougall and U. S. Congressman from this district—the Honorable John H. Tolan.

Passed and approved this 17th day of May, 1937.

Ayes: Councilman, George E. Batchelder, Vincent T. Hanahan, Frank Hays, B. W. Mowday and Mayor O. C. Yenne.

Noes: None.

Absent: None.

W. Meyer Honored At Hawaiian Party

Leis, songs of the island and a Hawaiian orchestra created a paradise of the Pacific atmosphere at the graduation party given last Saturday evening in honor of William Meyer by Captain and Mrs. Reginald Melanphy of 511 Coventry Road.

Meyer is the son of Professor and Mrs. W. F. Meyer of 990 Ventura Avenue. After pursuing the arts to two years he abandoned college for the lure of the sea, and for two years sailed aboard the "Monterey" under Melanphy. It was then that he was promised a celebration when he completed his education.

Two more years passed and during that time Meyer applied himself to his studies at the University of California. Now that he is about to achieve his goal the captain fulfilled his promise.

The affair started out with a dinner party at the home of his parents to which eight guests were invited. Later the group went to the Melanphy residence, whose architecture is patterned after a ship, and 26 guests were on hand to extend their congratulations.

STOP IT WITH Alka-Seltzer

Does Headache "slow you down?" You are a rare exception it it does not.

One or two tablets of ALKA-SELTZER in a glass of water makes a pleasant alkalinizing solution that usually brings relief in just a few minutes.

ALKA-SELTZER is also recommended for

Gas on Stomach, "Morning After", Acid Indigestion, Colds, and Muscular Pains.

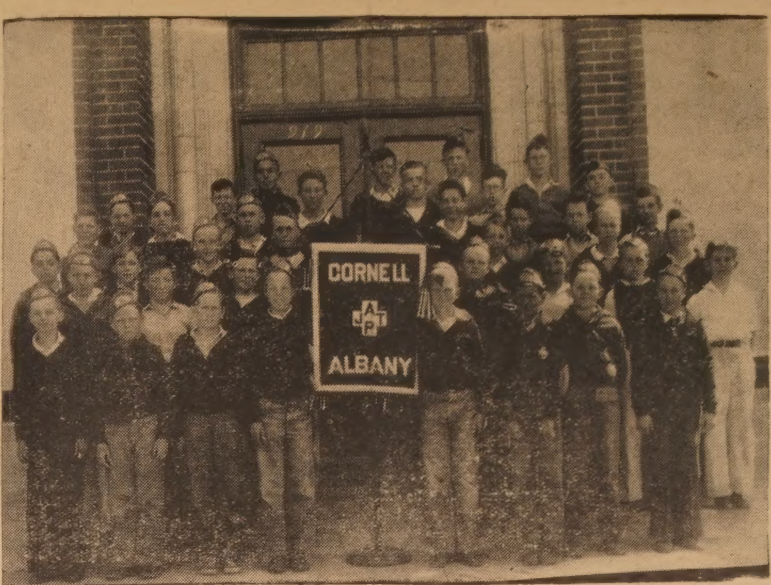

You will like the tangy flavor and the results when you take Alka-Seltzer. Alka-Seltzer, when dissolved in water, contains an analgesic, (Sodium Acetyl-Salicylate). In addition, the alkalinizing agents in Alka-Seltzer help to relieve those everyday disorders associated with hyperacidity.

Spalding Nine Heads Toward League Title

The A. G. Spalding softball team continued its steady climb toward top honors in the Sunday morning softball league by knocking over the cellar club, the Oakland Title Insurance Company by the one-sided score of 16-0, Sunday on the University softball diamond No. 1.

On Diamond No. 2 the Laurel Merchants were keeping within shooting distance of the leaders by taking the measure of the Albany Recreation Department to the tune of 15-6.

Hollis Wright, husky Spalding pitcher checked in his fourth straight league victory by tossing one-hit ball against the Insurance team. Splendid cooperation of Wright's team mates enabled him to chalk up the shutout.

Getting off to a bad start in the first inning, the WPA recreational directors of the Recreation Department spotted seven runs to the Laurel Merchants due to the wildness of their pitcher, coupled with four hits. Final score, 15-6.

Ted Romaine, rotund recreation right fielder, continued his heavy hitting by batting 1,000 for the game.

Games scheduled for next Sunday at University Park are between Albany Recreation Department and A. G. Spalding on No. 1 diamond, and Oakland Title Insurance and Laurel Merchants on diamond No. 2.

MARIN CHILDREN DEPICT MEXICAN LIFE AND CUSTOMS

Climaxing an intensive study of Mexican life recently, the six sixth grade students of Marin School presented a Mexican Fiesta, as shown above. So popular was the presentation that several performances were given before groups such as the Rotary Club, the Dads' Club, the Parent Teacher Association and others.

Showing the completeness with which the theme was studied before the offering, the various school departments presented comprehensive training in the art, music, literature, dances and habits of the Mexicans to the students, enabling them to present a typical cross section of life in that country.

Oaks Team Has Many Fans at Local School

The Oakland Club of the Pacific Coast Baseball League may be assured it has strong boosters in its fight for the pennant in the coast league at Cornell School.

Twice in the past week the students at the Solano Avenue school have been treated to entertainment by the baseball team.

Last Saturday 14 youthful players from the Cornell baseball team were guests at the Emeryville park when the Oaks engaged the San Francisco Seals in combat. Choice seats in the first base box were reserved for the young fans.

Through arrangements made with the Oakland club by the Albany Recreation Department and its WPA sponsored project the viewing of the game was made possible. Supervisor Ed Howell and W. Borden, teacher at Cornell, were in charge of the group.

Bud Bristol, H. Klein, Dick Jackson, Bill Borden, Don Murison, Billy Brown, Aldo de Soto, Jack Strombeck, Tom Strombeck, Don McSule, Bob Vallo, Jack Cola, Bob Atkinson, and George Hakanson were the lucky boys who made the trip.

Last Wednesday in the Cornell auditorium the entire student body of the school were guests of the Oakland ball club at a movie and baseball talk. Moving pictures of baseball games and baseball personalities were shown to the enthusiastic audience, after which informative talks on the sport were given by Marvin Brewer, pitcher, and Jimmy Hitchcock, third baseman, of the Oaks. Both players were bombarded with questions by their listeners at the close of their chats and obliged by settling the points brought up by the youthful enthusiasts.

The Recreation Department and Kenneth Glines, principal of the Cornell School, made arrangements with Al Vermeer, publicity manager of the down town team to entertain the children with the interesting show.

RETURNS FROM I.O.O.F. MEET

Judge and Mrs. Louis J. Hardie returned to Albany the first part of this week from Sacramento after having spent last week in attendance at the eighty-fifth annual convention of the Grand Lodge, I. O. O. F., in that city.

Judge Hardie was promoted at this session to the office of Deputy Grand Master, second highest in the State organization, after serving during the past year as Grand Warden.

After a close vote the delegates voted to hold the 1938 convention in San Jose. The cities of Los Angeles and Fresno also contended for the meeting at that time. Oakland presented a bid for the 1939 gathering, at which time it is expected that Albany's Judge Hardie will be named Grand Master, top State position in the order.

JUNIOR PROM

The first annual Junior Prom, to be known as the "Aloha Ball," will be held tonight in the study hall at 8 p. m. The ball, the first of its kind ever attempted at A. H. S., will take place in an all-Hawaiian setting with a fine orchestra supplying the music.

Admission will be by invitation only.

SYMPHONY PROGRAM

A symphony concert was held Friday in the Veteran's Memorial Building during third and fourth periods when the orchestra of Walter Hornick, nationally known leader, made its appearance.

The varied program included "The Bat," by Strauss; "Prelude" to the third act of "Lohengrin," by Wagner; and "Blue Danube," by Strauss.

BASEBALL AWARDS

The close of a successful baseball season brings the annual awards to outstanding players. This year the J. Kelly Bryan perpetual trophy for the leading hitter was won by Art Eppson, first baseman who hit an average of over .500 in his more than 20 games.

The title of the most valuable man on the team was awarded to Pat Cola, catcher, and carried with it the usual presentation of an athletic blanket. Cola hit a steady .480 and showed excellent head work behind the plate.

PROCLAMATION

The four-day period between Thursday, May 27 and Sunday, May 30, was designated as Poppy Days in the proclamation issued this week by Mayor O. C. Yenne. In the proclamation, Mayor Yenne called upon all citizens to observe the occasion by wearing memorial poppies in honor of the World War dead, stating:

"The City of Albany responded with highest patriotism to our nation's call for defenders in 1917 and 1918, sending many of its young men into the fighting forces. Of these men many sacrificed their lives in the nation's service, dying with more than 100,000 other Americans to bring victorious peace.

"It is fitting that the service and sacrifice of these gallant young men should be commemorated annually by appropriate public observance. As the poppy, which grew on the battlefields where so many of them fell, has become their memorial flower, there could be no more appropriate observance than a general wearing of the poppy in their honor.

"Therefore, I do hereby proclaim May 27, 28, 29 and 30 as Poppy Days in the City of Albany, and urge all citizens to show remembrance of the honor for the men of the city and of the nation who gave their lives in World War Service by wearing poppies on that day."

O. C. Yenne
Mayor of the City of Albany.

V.F.W. Plans 4-Day Sale of Buddy Poppies

In memory of the 77,731 American soldier and sailors who died overseas during the World War, Leland Bergesen Post No. 2658, Veterans of Foreign Wars of the United States, will conduct its sixteenth annual Buddy Poppy sale in this city from Thursday, May 27 to Sunday, May 30 for the benefit of disabled veterans and their dependents and the widows and orphans of veterans.

The red Buddy Poppies, made by disabled veterans in government hospitals, are symbolic of the poppies of Flanders' Field which blow today over the graves of more than 30,000 American boys and men who lie buried in the cemeteries of France.

The entire proceeds of the nationwide Buddy Poppy sale is devoted to the widows and orphans of the World War and to the relief, welfare and service work which our organization supports among America's war veterans. One cent from each Buddy Poppy sold will be sent to the V.F.W. National Home at Eaton Rapids, Mich., where it helps to maintain and operate this unique institution. Another two and one-half cents from each sale of Buddy Poppies is used to maintain the State and national rehabilitation service which advises and assists thousands of disabled veterans in the establishment of their equitable claims for government compensation and hospitalization benefits.

Added to the small sum paid the disabled veterans who make the Buddy Poppies, this three and one-half cents brings the cost of each Buddy Poppy to approximately five and one-half cents. Since all proceeds over this amount are devoted to local relief, and service work among disabled and needy veterans of this community-work which otherwise would fall upon the local charitable agencies and taxpayers—the membership of the local post hopes that the citizens of this community will be glad to contribute a minimum of ten cents for the Buddy Poppies they will wear on Memorial Day.

President Franklin D. Roosevelt has asked every man, woman and child in the United States to "wear a poppy on Memorial Day," reminds H. J. Ham, adjutant of Leland Bergesen Post.

Auxiliary Aide Tells History Of Poppy Day

The poppy, that little red flower from "among the crosses row on row," which Americans wear each year to honor the World War dead, has become an important means of alleviating the sufferings resulting from the war, according to Mrs. Fred Houser, poppy chairman of the Albany unit of the American Legion Auxiliary, who is directing arrangements for observance of Poppy Days here, May 27, 28 and 29.

From the poppy each year the American Legion Auxiliary raises approximately \$1,000,000 for the relief and rehabilitation of disabled veterans, and for the care of fatherless children of veterans, Mrs. Houser explained. This money forms the principal support of the vast rehabilitation and child welfare program carried out constantly by the Auxiliary in cooperation with The American Legion.

Women in almost every city and town in the United States take part in the memorial poppy program. The American Legion Auxiliary, with its 425,000 members and 9,000 local units, sponsors the work, aided by women and girls from other groups. Last year nearly 10,000,000 of the little flower were distributed and this year the number is expected to increase to 12,000,000.

BENEFITS VETERANS

Benefits to the disabled veterans begin long in advance of the distribution of the poppies on Poppy Days. Many hundreds receive employment in making the millions of little crepe paper flowers. Manufacture is started early in the winter and continues through the spring. This year poppies were made for the Auxiliary in 65 veterans' hospitals and poppy workrooms located in 40 different states.

Making of the poppies is directed by the state organizations of the Auxiliary and coordinated through the national organization. Three cents apiece is the price paid the disabled men for making the flowers. The number each man is permitted to make in one day is limited to prevent overtaxing of strength and to spread the work among as many men as possible. The work is a Godsend to the veterans employed, who receive little or no government compensation, meaning an opportunity to help support their families or to save a little money for the day when they leave the hospital and begin the difficult struggle to make a fresh start in life.

The mental diversion of making the poppies has been found an excellent way to steady the nerves and occupy the minds of hospital patients. The comforting thought that they are earning money again, often for the first time in years, is of tremendous value to many of these men. Pride of workmanship is taken, with the knowledge that the flowers are to be worn in honor of comrades who died in France.

IDEA FROM POEM

The idea of the poppy as the memorial flower for the World War dead sprang from Colonel John McCrea's poem, "Flanders Fields," written at the battle front shortly before his death. It was first brought forward in the United States by Miss Moina Michael, of Athens, Georgia, who was serving on the staff of the Y.M.C.A. overseas headquarters in New York City. On November 9, 1918, after reading Colonel McCrea's poem, Miss Michael bought and distributed silk poppies to the men attending a Y.M.C.A. conference.

After the Armistice the poppy idea spread rapidly. Poppies were distributed on the streets of Milwaukee during the homecoming of the 32nd Division in June, 1919, and again on Memorial Day of 1920. In August, 1920, the Georgia Department of the American Legion adopted the poppy as a memorial flower, and the national convention of the Legion in Cleveland the following month made the poppy the Legion's national memorial flower. The American Legion Auxiliary officially adopted the poppy as its memorial flower at its first national convention in Kansas City in 1921. The poppy is also the memorial flower of the British Legion.

Final matches of the Albany tennis tournament will be played at the Memorial Park courts next Sunday morning starting at 11 o'clock. Frank Lane will be in charge.

Legion Aux. News Notes

The regular meeting of Albany Unit No. 925 was held in the Veterans Memorial Building on Monday evening, May 10. The meeting was opened in ritualistic form by President Josephine Foley and following the opening ceremony the gavel was turned over to Miss Jean Cook, president of the Junior Auxiliary.

Following a custom of many years, the first meeting in May is dedicated to the mothers and the Junior Auxiliary participates in the regular meeting, also presenting the program and their officers in their Junior candidates.

Junior Auxiliary president, Miss Jean Cook, introduced the following guests: Mrs. Catherine Rishel, president of the War Mothers; Mrs. Lydia Silva, president of District No. 10; Mrs. Amelia Cook, Junior Auxiliary chairman of District No. 10; Commander Leon Fay of Albany Post, and Mrs. Elnama Saunders, chairman of Albany Unit Junior Auxiliary.

The War Mothers, mothers, and friends were introduced and Miss Shirley Novell; sergeant-at-arms of the Junior Auxiliary, presented the guests with corsages. Mrs. Foley presented a corsage to the Albany Unit musician, Mrs. Martha Schiller.

The following candidates were initiated by the president of officers: Miss Phyllis Foley, Miss Patty Fay, Miss Laura Hill and Miss Lynn Hayden.

The following officers conducted the impressive initiation ceremony: President, Jean Cook; first vice president, Valerie Sartin; second vice president, Mary Ellen Cook; past president, Dora Jean Nelson; chaplain, Mary Ellen Finn; sergeant-at-arms, Shirley Novell.

The work was impressively and beautifully done and received much comment and praise from members of Albany Unit and guests. Miss Joan Walter, program chairman of the Juniors, presented a delightful program of songs, recitations and dance numbers, all being dedicated to mothers and grandmothers. Following the program, the group were served refreshments in the banquet room.

District Junior Auxiliary Chairman Mrs. Amelia Cook has completed plans for the annual district meeting of the Junior Auxiliaries in Albany on Saturday, June 5. The meeting will start with a picnic lunch at noon followed by competitive games.

The Albany Auxiliary will present a Fidac Program and will act as hostess. Their drill team will do the floor work and will be outfitted in their effective red and white uniforms.

The Oakland Junior Auxiliary will put on the initiation ceremony and the other Junior groups will contribute numbers for the program. Mrs. Cook has extended an invitation to all Auxiliary members and Legionnaires to attend this meeting.

Poppy Chairman Mrs. Louella Houser awarded the prizes for Poppy Posters in the Cornell School on May 10. The prizes will be awarded in Marin School on May 21 and in the High School on May 28. Poppy Days this year will fall on May 27-30. Mrs. E. Houser reports that everything is in readiness for the sale. The poppies which the auxiliary will offer for sale on Poppy Days will be made of paper with stems of wire. They will not come from the fields of France but from the shaking, uncertain hands of disabled World War veterans for whom the creation of the poppy is an achievement. They make them to resemble as closely as they can the poppies which grew where their comrades fell—the flower which has become to them the flower of memory.

When the American Legion Auxiliary adopted the poppy as its memorial flower, it pledged the profits from the poppy sales 100 per cent to welfare relief for service men and women and their families, thus fulfilling the true meaning of the poppy—an emblem of faith, faith which is being kept with all who died through service to living.

"And now the torch and poppy red We wear in honor of our dead. Fear not that ye have died for naught, We've learned the lesson that ye taught In Flanders' field."

At the close of the meeting the members and guests were entertained in the banquet room where delicious refreshments were served by the hostesses, Mrs. Thelma Derthick, Mrs. Esther Knox, Mrs. Laura Hill and Mrs. Elva Rolph. The banquet tables were decorated with low bouquets of roses and snapdragons.

The Kabaza Group of the Camp Fire Girls are planning to cease their activities for the summer after their next two weekly meetings, according to their leader, Mrs. Walter Miller. They will reorganize after the school vacation is ended.

ALBANY POST

The committees in charge of the next regular meeting of Albany Post are making elaborate preparations to entertain the ladies as it will be the annual "Ladies' Night." The meeting will be called to order by Commander Leon Fay promptly at 8:30 p. m. in order to give the George Washington Post initiative team time needed to put on a full American Legion initiation ceremony. This team is the Department champion team and the work members do is a real inspiration to all who will have the opportunity of witnessing their work.

Because of the visit of the champion team the Post is extending an invitation to all world war Veterans of Albany and their ladies to be the guests of the Post for the evening. After the initiation is completed the committee announces that the balance of the evening will be devoted to entertainment and dancing. Refreshments will be served.

Walker Lyon is chairman of the entertainment features for the evening. A. A. Cook will be in charge of the rounding up of all Albany Post's candidates for the initiation. Fred Houser will be in charge of the refreshments. All the past commanders of the Post will act on the reception committee under the leadership of Past Commander J. R. Moore.

Past Commander Frank Graeber on behalf of Mrs. Myrtle McLean presented to the Albany Ship of Sea Scouts—a full complement of International Code signal flags in honor of her deceased husband, John McLean. The flags were presented at the last meeting of the Sea Scouts. The flags were accepted on behalf of the Scouts by Captain Charles Britland. Mr. McLean was a member of Albany Post at the time of his death.

Arrangements are being made by A. L. Ford Chairman of the Americanization committee to select the boy Albany Post will sponsor at the "Boys' State" to be held in Sacramento at the close of the spring term. The boy will be selected from the Albany High School on his scholastic standing.
